

Kinetico **ESSENTIAL** SERIES™

WATER SOFTENERS

Performance and value for basic water problems and applications

- Non-electric reliability and ingenuity in an affordable package
- Protect water-using appliances and fixtures from stains and scale buildup
- Use less detergents and soaps for easier cleaning, savings and softer skin and hair

 Kinetico®

Kinetico ESSENTIAL SERIES™

Product Highlights

Non-Electric Operation: Moving water powers these systems, not electricity, so operation is simple and reliable. There are no timers or computers to set, adjust, repair or replace.

AccuDial™ 5 Precision: Your water professional will accurately adjust the system to your specific water conditions.

Efficient Hardness Removal: Get the water you want in your home.

Minimal Regeneration Time: Unit is back in service more quickly than traditional single-tank softeners.

5 Year Warranty: Rest assured, we stand behind our products.
